Powerful Evinrude E-Tec HO Outboard Engine

Experience unrivaled performance with the 115-hp Evinrude E-Tec HO outboard motor mounted on the stern of this fishing beast. No fish can outrun this powerful engine, ensuring you have the speed and agility you need for successful fishing trips.

State-of-the-Art Electronics for Tracking Your Catch

Stay ahead of the game with three different onboard electronics, including the main Humminbird Helix 7 unit at the dash, a Lowrance unit, and a front unit mounted by the trolling motor. These advanced tools will help you track your catch quickly and precisely, ensuring you never miss an opportunity to reel in the big ones.

Efficient Positioning with Starboard Side Power Pole

Keep yourself perfectly positioned at your favorite fishing spot with the starboard side power pole. This efficient feature helps you stay in place while focusing on what's essential - catching fish.

Versatile and Spacious Casting Deck

The front fishing chairs can easily be removed to create a large and open casting deck, offering you the flexibility and space you need for a comfortable and efficient fishing experience.

Well-Equipped for Spider Rigging

With two spider rig pole holders, this Ranger RT 188C is well-equipped for all your angling needs. Set up your gear, and prepare to bring in a bountiful catch.

Don't miss this fantastic opportunity to own the ultimate fishing machine. Contact KYA Brokers today to schedule a viewing of this outstanding 2018 Ranger RT 188C and get ready to embark on a new chapter of thrilling fishing adventures.
